Principal's Report Term 2 week 2

After a refreshing break, everyone seems to have come back to school ready to learn.

Next week, we have the NAPLAN testing. For the first time, we will be doing the tests online. The teachers have been preparing the students for this and we are looking forward to seeing how they perform so that we can continue to tailor our programs to their learning needs.

Cathedral Cluster Cross Country will be held the week after on Thursday 19th May. Parents Club is looking for volunteers to help out with the sausage sizzle. If you are able to help please let the office know.

School Council will be having a Working Bee on Saturday 14th May 9 - 12pm. A sausage sizzle will be provided. There are a number of jobs to be done so we would appreciate a good turn out.

Our Inquiry Theme for Term 2 is Movement. We have some fun excursions planned to explore this topic and we are looking forward to the students further developing their understanding of key concepts.

Thanks to those families who have been contacting the school to let us know if their child is unwell.

Have a good fortnight everyone.

Kindergarten Report

4th May, 2022.

Hello everyone! This fortnight at kinder we have been very busy bees, working away creating very special Mothers day gifts for all our lovely Mums, Nannies and special carers. The children spent time making many different gifts whilst developing their fine motor skills and developing their concentration span/focus on a set task. Gift making activities included threading, cutting and scissor skills, collage, painting and roller painting. We hope you all have a wonderful Mothers day together!

We also introduced the children to the bush kinder setting, where they became familiar with the regular spot that we will be using this year for bush visits (up past the Eildon fire station between the two Park Avenues). It's a lovely spot with a shallow creek bed where the children can enjoy water play, bush activities, bush cooking, bush artworks, making shelters, looking for insects, watching the wildlife, and much more. Today there were some King parrots that flew down and ate some crackers out the children's hands, they were absolutely delighted!

Please ensure your child has a full set of spare clothing and good sized water bottle for the kinder day, especially for our bush visits.

Cheers
Megan and Kass
