Principal's Report Term 4 - Week 5 - 2021

This has been a good fortnight returning to school and we are so proud of our students and families.

We had a fantastic Zoom with Todd Woodbridge on Wednesday this week. Eildon Primary School was selected by Tennis Australia to have this one-to-one chat with Todd who told us all about his tennis journey including his greatest victories and the road to success. Each of our Prep students received a brand new tennis racquet complements of Tennis Australia. We are thankful to TA for continuing to partner with Eildon Primary School for the benefit of our students.

Grade Six students travelled into Alexandra Secondary College today for their first Transition Day. We expect they really enjoyed it and were amazed by all that Alexandra Secondary College has to offer.

School photos went smoothly on Wednesday and a big thanks to Miss Mangelsdorf for organising this day and carrying out all the photography. Miss M will now process all of the images and a message will be sent out in coming weeks to inform families of when the photos will arrive.

On Wednesday, we also celebrated World Teachers' Day at Eildon Primary School. We are so fortunate to have such a talented group of teachers at our school and we hope they enjoyed their special luncheon.

Next week we have Mrs Hartig returning to Eildon Primary School to conduct three weeks of tutoring with our students who are most in need of some catching up after the remote learning. We also have Miss Madison Findlay-Parsons starting a three week teaching placement. These additions to our teaching team will mean even more support for our students and we are thankful to have such enthusiastic teachers wanting to come to the school.

A reminder that the Dental Van is still at the Community Centre. If anyone is in need of Dental work, it is very easy to arrange and free for Health Care Card holders. Contact the school office for more information.

Also keep a lookout for items at the new Give-Swap-Take Cupboard located out the front of the Community Centre. We encourage families to use this facility which was initiated by the Community Centre Committee of Management.

As we are now in November, we will be starting to practice carols for the end of year Christmas Concert. We did not get to have a School Concert this year but we are really looking forward to the Christmas Concert now that we are able to come together. Hopefully, conditions are favourable at the time. We appreciate the flexibility our families have demonstrated with all the changes to restrictions.

Finally, a reminder that we continue to put all the Covid-Safe procedures in place and we really appreciate all families staying home in the case of illness and only coming onsite when absolutely necessary. It was nice to run our first assembly in a while on Monday, looking forward to having these every week from now on!

Have a great fortnight, stay safe.

Indonesian Awards

Shayla Smith - Shayla, you worked so hard today and by yourself. You were able to find and record information on the Proboscis Monkey. You did this with focus and determination. Baik Sekali

Sam Woodward - Great deep thinking today in Indonesian Sam. I could see you working out individual words before seeing if they would make sense in a sentence. This in both English and Indonesian. Baik Sekali!

P.E. Awards

Indy Ferguson - Fantastic effort and skill work today Indy. You gave 100% and had such success. Your overarm throws were straight, you showed accuracy and gained distance.

Jewel Joshy - Jewel consistently gives her best, listens attentively and shows positive behaviour. This has a beneficial impact on not only her own learning, skills and ability but the whole class. Keep it up!

ART Awards

Olivia McKernan- For very colourful and creative painting on her garden pot. Olivia used interesting shapes and colours to create a lovely design. Well done Olivia!

Jewel Rose - For showing the school value of Altruism by creating a lovely pot for her dad for Father's Day. Well done Jewel.

SUMMER HATS

Pleaser remember children are to wear wide brimmed hats during Terms 4 & 1.

School hats can be purchased at the office - \$14.50 each.

JOB OPPORTUNITY

Part time work available on houseboats at Jerusalem Creek.

Assist in greeting clients, clean BBQ's and clean the top deck of the boats.

EILDON COMMUNITY PLANNING

»—————«
**A CHANCE TO MAKE DREAMS HAPPEN!
COMING SOON! GET INVOLVED!**

Community Planning is coming to Eildon!

Community Planning puts communities in the driver's seat. Communities themselves – with a bit of help from Council – identify their local strengths, priorities for their future and collaborate to develop and deliver solutions for their town.

Do you want to make a difference in your community? We are looking for people to work with us on planning how this project might work in Eildon.

To learn more about community planning and how you can be involved, drop in to the Mobile Library for a chat when it visits Eildon on the following dates

9.30 am to 12 noon on Saturday 6 November
1.00 pm to 4.30 pm on Wednesday 10 November

For more information about Council's Community Planning Project in Eildon, please visit theloop.murrindindi.vic.gov.au, email communityplanning@murrindindi.vic.gov.au or give us a call on 5772 0333.

The Eildon Community Centre Committee of Management has started up a Give-Swap-Take Cupboard. It sits on the verandah of the Community Centre and is available 24/7. Community members are welcome to Give/Swap/Take items as appropriate. Items accepted include books, non-perishable foods, plants, etc. We encourage school families to use this facility should they feel the need.

Baking Muffins By Cooper Power

I made muffins with Kylie in the staff room on Monday.

First I mixed the muffin mix, then I put the mixture in the tray and cooked them in the oven.

After they cooked, I ate one. It was YUM!

The Seniors ate the others.

Eildon Kindergarten Report - 5 November 2021

The children have experienced many learning opportunities at kinder this past fortnight.

- ☺ Darlingford Nursing Home visit, connecting with the residents (through the window) and leaving some special gifts for them made by the children.
- ☺ Lots of outdoor play building endurance and gross motor skills/social skills.
- ☺ Making bowerbird nests inspired by our sightings during routine outing walks.
- ☺ Making chocolate coconut balls.
- ☺ Bike riding (a favorite for many).
- ☺ Cleaning up our local paths and park using tongs and buckets (inspired by the concerns of children that saw rubbish on the way to kinder).

- ☺ Recycling plastic bottles into plant holders /water propagation containers and making telescopes.
- ☺ Exploring literature and stories that focus on gender equality/stereotyping/acceptance/diversity.
- ☺ Use of Woodworking tools to build confidence/skills and provide challenges in a controlled environment, allowing children to take risks and make judgments to protect themselves.

Transition dates for Foundations in 2022 at Eildon Primary School are:

Tuesday 23rd November 9am—11:30am

Tuesday 30th November 9am—2pm

Tuesday 7th December 9am—3:20pm, statewide Transition Day

Kass will be present to support the children during the first two visits.

Further details will be provided soon.

Cheers,
Megan & Kass
