STUDENTS OF THE WEEK

				
JUNIORS Bella	JUNIORS Lillian	SMIDDLES Oliver	SMIDDLES Ava	P.E. AWARD Oliver
Bella has shown the school value of Altruism by thinking through how to explain making groups to share it with others. Great work Bella!	Lilly displayed Altruism by always thinking how she can help others to understand their work. Well done Lilly!	For writing an interesting story using surprising connectives. Well done Oliver!	Ava displayed Altruism by providing comprehensive answers in her reading journal this week to better understand the Author's Purpose.	Oliver showed great leadership and teamwork today during the Tabloid Sports. He stayed positive and helped/supported others when needed. Keep it up Oliver!

			
P.E. AWARD Charlotte	P.E. AWARD Tristan	P.E. AWARD Bella	INDONESIAN Olivia
Charlotte was enthusiastic, positive, supportive and helpful during Tabloid Sports today. What a great role model you are! Keep it up Charlotte!	Tristan was a consistent thrower at the Chicken Throw station during Tabloid Sports today. His throws were long (scoring many points) and straight throughout the activity. Keep it up Tristan!	Bella had a lot of fun during our first session of Ultimate Frisbee. She consistently threw her frisbee straight and tried really hard to make some crocodile catches! Keep it up Bella!	Olivia opted to challenge herself today when translating from both Indonesian and English. She chose to translate the more complex sentences and did so quite efficiently and accurately. Bagus sekali Olivia!

Acting Principal's Report Term 2 week 6

It has been another busy fortnight at Eildon Primary with lots of learning taking place. Last week students encountered the Mini-beasts incursion where they really enjoyed getting close to many Australian animals that we don't regularly see. The terrific photos show the brave ones bold enough to hold a python! Owls, lizards and other creatures also featured.

Our teachers also see themselves as learners. This year their professional development is helping to making significant progress in the classroom. Miss Mangelsdorf and Mrs Crowle have been leading an inquiry into the way students use connectives in their writing, which is leading to students carefully consider they way they join their ideas together and increase the flow of their writing. Yesterday I attended another day of the Teaching Excellence Program to present my inquiry I have been working on in the Juniors class. This term we have been exploring how important it is to use a wider range of mathematical vocabulary to help others understand our thinking. Through these professional learning our teachers are noticing students being increasingly engaged in their learning. Great work to all!

I would like to acknowledge the maturity shown by one of our students this week. Levi Campbell showed courage explaining to us at assembly how he was disqualified after his race at the division Cross-Country last week. Showing calmness in the storm, he listened to the news in his stride after the race. As a result, after some deliberation, he was later given an invite to attend the Regional division. We wish him good luck on the 16th June. Brayden Glascott also raced at Yea last week and came 21st in his age group. Well done Brayden!

Today students are enjoying another AFL clinic organised by Mrs Lyttle. Where students are sharpening their skills. Keep up your excellent efforts.

Enjoy your week,

Andrea Hall

Kindergarten Report

Wednesday 31st May 2023

The children were very excited to have our first bush Kinder adventure. The weather was not ideal but we all had our boots and jackets on. We listened to the mud squelching under our feet and splashed in the puddles, developing independence and resilience along the way.

Once we arrived at our destination we set to work making our own bush shelter, with the children all working together developing important life skills like problem solving, listening, leadership and creative thinking.

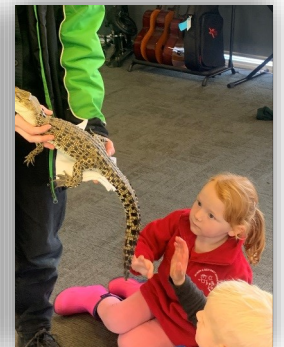

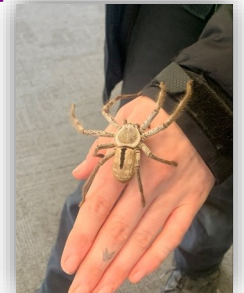

The Australian animal incursion was thoroughly enjoyed by all the children, learning important facts about the animals and ways we can support their future survival. We were also very brave getting up close with these amazing creatures.

Language/Speech flyers were sent home in the children's pockets, please read as we all need to play vital roles in supporting our children's language development.

Mansfield Zoo excursion has been postponed to Wednesday 7th June due to poor weather.

Cheers

Megan, Paige and Kass

****NEW JOB OPENING ON:**

Early Childhood Jobs

Kindergarten Teacher - Term 3 Cover Lsl

Eildon & District Kindergarten

Eildon, VIC

Posted 5/19/2023

Application Closing Date: 09/06/2023

This could be the working holiday you have been looking for!

Eildon & District Kindergarten is located 150km North East of Melbourne in a small rural setting amongst beautiful bushland.

Our Kinder builds strong community connections as we are onsite with the local primary school, community centre, regular community visits including nursing home and shopping village and Bush Kinder. Our centre provides a great outdoor setting with mud kitchen, bike track and dry creek river bed and garden. Providing many opportunities for open ended play attuned to individual interests and creativity.

The position requires a Bachelor degree or equivalent as approved by ACECQA. The applicant will plan and oversee an integrated 3 and 4 year old kinder program that inspires children and develop critical thinking through daily activities and routines. Our high staff ratio focus on building beautiful relationships that support our children to grow and flourish. Effective communication with the team, families and wider community also contribute to maintaining strong relationships.

Our educator will be happy to answer enquiries and discuss our kinder philosophy and programming further. Ph: 03 5774 2074

Kindergarten sessions run 9.00am – 2.00pm Mondays - Wednesdays

Contract length: Start 10th July – 15th September 2023.

Applications close: COB Friday 9th June.
