## Life Saving Victoria

*On Friday we had Erin from Surf Life Saving Victoria come to teach us about water safety. Students had a great time using life saving equipment, rescuing each other and find items around the home that may help if someone gets stuck in the water.*

**Together we will develop a thriving community of creative, respectful and resilient learners who strive for physical, social and intellectual growth.**

# STUDENTS OF THE WEEK

**JUNIORS**  
**Noah**

Noah displayed the value of **cooperation and respect** by working really hard to project his voice and improvise actions into his concert skit.

Great work Noah!

**JUNIORS**  
**Henry**

Henry detailed his thinking clearly when describing how he solved various questions about subtraction, displaying the value of **cooperation and respect!**

Well done Henry!

**SMIDDLES**  
**Ava**

Ava worked very hard on her English Skills, achieving 12/12 many times this week.

Keep it up Ava!

**SMIDDLES**  
**Luke**

Luke has shown excellent effort, improving the neatness of his handwriting. His work is more organised and easier to read.

Keep it up Luke!

**ART AWARD**  
**Corbyn**

Corbyn painted a fantastic Yellow Belly fish, paying careful attention to the details of the fins and eye.

Well done Corbyn!

**P.E. AWARD**  
**Lily-Anne**

Lily experienced much success in P.E. She could throw and catch the Speeder in different ways, serve the Speeder consistently and even have a mini rally with her partner.

Keep it up Lily!

**INDONESIAN**  
**Luke**

Luke was up for a challenge in Indonesian today. He opted to complete the more difficult task when given the option and completed it with ease.

Bagus sekall Luke!

## Principal's Report Term 3 week 10

The students had an informative visit from Life Saving Victoria last week where they learnt many valuable facts and skills to do with safety around water.

Thanks to Miss Mangelsdorf for taking the School Photos recently. They will be processed over the next couple of weeks and be available free of charge off SchoolStream.

Our chess playing students are excited to be off to Kangaroo Ground PS tomorrow to compete in the next Interzonal tournament. Also, our Chess Nights have been very enjoyable and attended by quite a few families.

For families looking for something to do this Saturday, the Goulburn Fishing Festival will be on down at the Rotunda starting around 9am.

We ask that families consider completing the Parent Opinion Survey please. We will get some valuable feedback this way as to how we can continue to develop the school.

The Father's Day Stall will be on this Friday too where students have an opportunity to get something nice for their special someone.

Next week the students are going on an excursion to the Eildon Dams Museum as part of their inquiry - The Outback Museum. This will be a great learning experience for all.

Our students have been rehearsing very hard for the School Concert which is on Thursday 14th September in the MP room.

We had a fantastic morning with the Victorian Fisheries crew as they released hundreds of rainbow trout into the pondage on Tuesday. The students were thrilled to see the fish leaping into and out of the water. Thanks to Reece from VFA for organising!

Just a reminder about our awesome, upcoming Urban Camp. We are still waiting for a few deposits and payments. This will be a great opportunity for all students Gr 3-6.

*Well done to Levi & Jordan  
for completing my side table  
for my office. What a great  
job you both did!*

### *Appreciations*

*Thank you to everyone  
who came to the Com-  
munity Centre working  
bee, and also the won-  
derful parents who came  
and cleaned the centre  
on the Monday.*

*The E.C.C. looks  
amazing!*

*Thankyou, we really  
appreciate your support!!*

# Eildon Kindergarten Report

Wednesday 30th August 2023

The children have had an enjoyable week with lots of outdoor play in the warmer weather.

Transition sessions will start shortly with 4 year olds spending some time with Mrs Hall in the Juniors class.

Ken has done a great job tidying up the bushes in the yard which has made the space safer and easier to supervise.

School Council has made a substantial purchase of new furniture for the Kinder which will make its way indoors over the next few weeks.

We are enjoying the new dishwasher in the kitchen!

Jai, Mrs Lowe, Kass, Paige and Tiffany

Our Kinder students had a wonderful morning watching the release of fish at the Eildon Pondage

*Jenni Shaw*

*The school community acknowledges the sudden and sad passing of Jenni Shaw, our long-serving former teacher and volunteer librarian. Jenni was a great inspiration to many of us and we will miss her positivity, selflessness and community-minded nature. Jenni loved Eildon and could be often seen walking along the pondage, admiring the beautiful native flora and fauna. We thank Jenni for the great work she did with so many of our former students and for the tireless effort she put into keeping our library in tip-top shape. Jenni was a good friend and great mentor to many of us and while we will miss her dearly, she will live on in our hearts and in our deeds.*

*She certainly embodied the Eildon Primary School values:*

*Respect, Resilience, Integrity, Cooperation, Altruism and Achievement.*

*Vale Jenni!*
