SRC FUN RUN

The SRC ran their 'Fun Run' around the Pondage recently. We were able to raise \$218 for The Philippines Disaster Resilience Foundation.

Well Done!

Together we will develop a thriving community of creative, respectful and resilient learners who strive for physical, social and intellectual growth.

Principal's Report Term 4 Week 8

The students have done really well this past week which has been a bit of a mixture. The weather certainly set us back on Wednesday. This kids were so excited to have the Sleepover but dealt with the disappointment so well. We look forward to rescheduling the Sleepover to one night early in the final week if conditions are favourable.

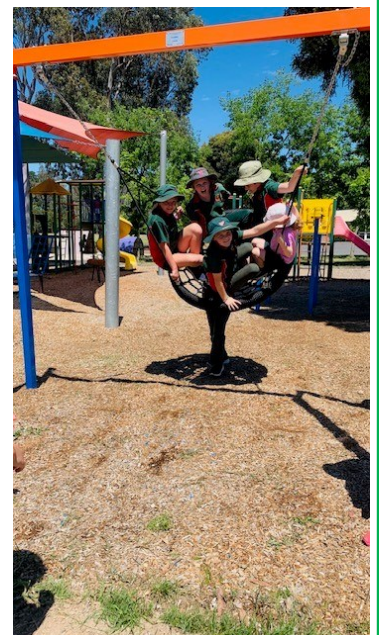

Thanks to all families who have brought back their camp and graduation paperwork. Both events are approaching rapidly and we are all looking forward to them with great anticipation.

The students have been enjoying the new addition to the playground this week. The 'basket swing' is a huge hit and barely gets a moment's rest! We have also ordered a new set of giant chess pieces and more Lego robotics.

We are very pleased with the way that the students are finishing the year, continuing to work hard and be kind right through to the very end of term.

The Community Centre refurb is almost complete and we will have to start moving our desks etc across in the next two weeks. The builders can then make a start on the second stage of the project which is the long Block B building which currently houses the classrooms.

Kinder Report: Week 8 Term 4 2025

Hello Families,

What a Fun Fortnight!

We've had such an exciting and busy couple of weeks! We enjoyed a beautiful lunch at the Pondage, taking in the sunshine and spending quality time together.

Our Christmas spirit has officially begun. We started our festive crafts and even put up our Christmas tree. The children have loved getting creative and helping decorate our space.

Following the children's emerging interests, we transformed part of our home corner into a *hairdressing salon*! It has been wonderful to see their imaginative play grow as they role-play, style hair and build confidence in social interactions.

We have also begun setting up our *Letters to Santa* station, ready for the children to share their wishes and practice their early writing skills.

The four year old group have been doing so well at their school transitions. It's hard to believe we are already nearing the end of the year. Thank you for such a fantastic year.

The Moving Teddy Bear

One day a nice girl got a teddy bear. She didn't know that was a moving teddy bear. At night it moved but when it was day it pretends teddy bear. One day the girl found out that the teddy does!

The teddy bear could talk.

The teddy bear said "Hi" the girl was scared at first. Teddy was confused. After a while the girl was not scared because she got used to the special bear. "Boo" said the bear the teddy bear. The girl jumped the teddy bear was a little evil!
