Principal's Report Term 1 week 9

The Grade 3 and 5 students gave their all whilst sitting the NAPLAN tests last week and we are very proud of their efforts.

We would like to thank the Lions of Eildon for their generous donation of \$500 towards our Robotics program.

This week, Bunnings came up to help us further plant out the embankment beside the oval. They also donated 50 wattle trees for the activity.

We wish our Gr 3- 5 students good luck at the Cluster Athletics Carnival to be held this Monday at Leckie Park in Alexandra.

We are also looking forward to our chess excursion next Wednesday and the SRC games on the last day of term, next Thursday.

A reminder to School Council and Parents Club that both meet before end of term.

Wishing everyone a wonderful break.

Mr Harrington

Kindergarten Report

Wednesday 29th March 2023

Harmony Week is the celebration that recognises our diversity and brings together Australians from all different backgrounds. It is about inclusiveness, respect and a sense of belonging for everybody. The colour orange demonstrates support and participation. We celebrated at Kinder using stories, discussions and participating in a lot 'Orange' based activities/arts and crafts. The Foundation/1 children also came to visit us, helping to celebrate and complete our 'Harmony Day' hand print poster.

We were also very excited to be having our own Teddy Bears Picnic. The children prepared banana muffins, discussed what activities we could participate in and all brought along their favourite bear to join in the fun. A big thank-you to Caitlyn and Ann (Angus's mum and nan), for providing our very special baby chino's at our picnic.

The children have experienced their first visit to our bush kinder site, this will become a regular outing in terms 2 and 3.

Easter craft is a popular choice of activity this week and we will continue this next week.

We also visited the community centre for the first time this year, which we use often in the winter months.

If you have any questions, concerns or would like to know more about your child's progress, the program, or anything else kinder related, our door is always open. We encourage families to let us know if they would like to chat to us one on one, and we will happily make time after a session.

Regards Megan & Kass
