Principal's Report Term 2 Week 10

The students had a wonderful time at Lake Mountain on Friday, enjoying the wintery, alpine environment and making the most of the tobogganing and snow play. Thanks to all the adults that came along to help supervise.

Confirmed dates for transition came out today and the Gr 6 students will make their way into Alexandra Secondary College on Friday 29th August 12:30pm to 2:30pm. We will transport the students to and from the college on the school bus, a permission slip will be sent home shortly.

The Staff Car Park seems to be working pretty well for drop off and pick ups. We ask that families continue to use this spot until further notice. Many thanks!

Concert rehearsals are going well and the students are producing what looks to be a very entertaining performance. We are happy for them to start bringing in their props and costumes.

Thanks again to all the families that have been taking care of the little creatures. I'm sure they're looking forward to Spring and the warmer weather. Special thanks to Ward Jamieson who has been doing a great job down there maintaining the Minifarm.

Have a great fortnight everyone!

Mr Harrington

Kinder Report: Week 10 Term 2 2025

Hi Families,

What a great fortnight we had indeed and we had a great day at the snow on Friday.

This past fortnight the children have been engaging in lots more ball skills with the opportunity to use a cricket bat and a tennis racket to hit the ball, developing our hand eye coordination.

On Wednesday we had our visit to the Darlingford Retirement Village. This is a wonderful way to engage in our community. We played with balloons, blocks, drew pictures and had a game of giant Connect 4! Everyone had lots of fun and it was great to see the smile the we brought to our lovely older community members. We were lucky enough to have beautiful quilts knitted for us to use in our home corner and creative play spaces. We will be sure to return the gift with a big "Thank You" card.

Our letter this fortnight was A and we continue to develop our letter and sound skills with lots of different activities.

Have a great day!
