Principal's Report Term 3 - Week 9 - 2021

Well we have come to the end of another term which has presented another set of challenges. I am still amazed by the resilience of the members of our school community. The commitment and determination that we have all shown has been commendable. Keep up the great work everyone!

We do hope to run our Footy Colours Day next Friday and students will be able to participate in this regardless of whether they are onsite or online. Obviously, there will be no parents v kids footy match again this year but there will be other engaging activities on the day.

Thanks to everyone for notifying the office of their child's attendance issues each and every time they are away. We have set goals as a school this year to increase the attendance rate of our students and we are doing a great job of achieving them at this stage. Thanks for your Cooperation!

It has been great having the Juniors back onsite today and they have really enjoyed their day with the wonderful Mrs Hall. The juniors have been working really hard on building the basics of their education by moving through the reading levels, learning to write their letters/words/sentences and counting/adding/subtracting etc.

So impressive!

The school received its NAPLAN results last week and I am pleased to say they are excellent! This is a great reflection of the great teaching and learning that is going on at Eildon Primary School. To provide further support to help some of our students catch up from remote learning, Mrs Hartig will be returning in Term 4 to do some intensive work with our most needy students.

School Council has approved a new school value for Eildon Primary School. The new school value is called **Altruism**. Altruism is the selfless helping of others out a concern for their wellbeing. The teachers will be delving into this new value with the students and we look forward to seeing examples of Altruism in our school community.

At this stage Urban Camp is still going ahead. Notes will be sent out shortly once we have final confirmation of the camp going ahead and costings. The program for the camp looks amazing and we do hope that it goes ahead. Please keep an eye on SchoolStream for updates.

We wish everyone a safe and enjoyable term break and look forward to hopefully seeing everyone back onsite in Term 4.

Mr Jai Harrington, Principal
