STUDENTS OF THE WEEK

Week Nine

Juniors

Shannon Mitchell

For **Achievement** in writing, using complex punctuation.

Seniors

Hailie Smith

For demonstrating the school value **Achievement** by solving complex problems in mathematics.

Performing Arts— **Scarlett Oakley** — For demonstrating the school value **ALTRUISM** singing so fabulously well during concert practise.

Physical Education — **Mollie Jamieson** — For running so enthusiastically in the gym, demonstrating the school value of **RESILIENCE**. Well done Mollie!

Chinese — **Charlotte Smith** — You stayed fully engaged throughout the lesson, and joined every activity with **COOPERATION**, well done, Charlotte!

Music — **Scarlett Oakley**— School value **ACHIEVEMENT**. You gave your best in both violin and singing – a joyful, focused musician all week. Keep shining, Scarlett!

Week Ten

Juniors

Bella Tomlinson

For demonstrating the school value **ACHIEVEMENT** by practising her reading every day.

Seniors

Miguel Cardenas

For showing the school value **RESILIENCE**, completing his English Skills exercises accurately.

Performing Arts— **Lillian Fraser** — For demonstrating the school value **ALTRUISM** always giving her best to every performance during concert practise. Amazing Lilli!

Physical Education — **Jake Tennyson** — For demonstrating the school value **RESILIENCE** by training so hard during PE. Well done Jake!

Principal's Report Term 2 Week 8

The students enjoyed a fabulous excursion to the Eildon Dam Spillway and Power Station last week. Thanks to Mrs Prideaux and the team from Goulburn Murray Water for organising and facilitating the day. The excursion consolidated the vast amounts of learning that have taken place this term through our Inquiry Theme **Water**.

We have rapidly come to the end of Term 2 and student reports will be sent home next week. We encourage all families to sit down with their children and go through the reports in a supportive and deliberate manner. Well done to all students for the great achievements they have made in their literacy and numeracy this year so far.

We have booked in our Annual Snow Trip for Friday 15th August. Fallons will transport the students including the kindergarten children. It will be another fabulous day of snow play, tobogganing and hopefully some cross-country skiing as well.

Thanks again to those families who have volunteered to look after the animals. They are doing really well and have settled into their new lifestyles very well. The students are taking great care of them each day at school.

Ten of our students are off to the Interschool Chess Tournament at Kangaroo Ground Primary School today. We wish them all lots of luck with their games and know they will enjoy making new friends!

Finally, the Big Build project is about to kick off, expect to see workers and machinery at the school in the very near future. The Community Centre Car Park may be out of action for a few weeks. At this point, parents will be welcome to drop off at the staff car park. When this time comes, a Schoolstream notification will be sent out and we just ask that vehicles stay on the driveway side of the yellow line, to ensure student and staff safety.

Have a great holiday everyone!
Mr Harrington

Kinder Report: Week 10 Term 2 2025

Dear Families,

What a wonderfully wet week it's been! Despite the rainy weather, our kinder has been buzzing with energy and learning, we went to the Community Centre to burn some energy when it was raining.

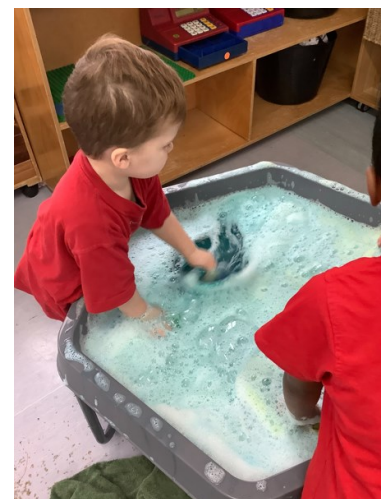

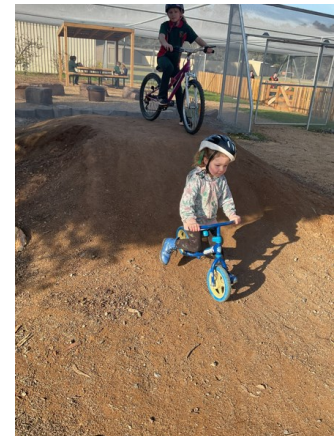

This week, we began introducing Smiles for Miles, an exciting part of our healthy eating policy. Through fun and engaging learning experiences, the children are becoming more aware of healthy habits. One of the favourites this week was our teeth-cleaning sensory play.

Our sensory play area continues to be a popular and calming space where children explore textures, build creativity, and strengthen fine motor skills.

We've also kicked off our *phonics journey with the introduction of our phonics song and letter sounds. The children enjoyed having a go at naming words that begin with different letters, showing lots of curiosity and confidence.*

We can't wait to see everyone next week for our final week of Term 2!

Warm regards,
Toni and Nicole
