Principal's Report Term 3 Week 6

As we approach Spring, it is so wonderful to see our national floral emblem (the golden wattle) emerging so energetically to decorate the school grounds in such a magnificently radiant display.

Our Gr 6 students were very excited to be heading into Alexandra Secondary College today for their first Transition Session. We are so proud of their positive approach to learning and know they will have a great experience getting to know the college, its staff and their future classmates.

Thanks to Simon from Educational Sports Carnivals for the great day he ran for the students last Friday. The day consisted of a range of different activities and sports including Pickleball, Crab Soccer and Red Light, Green Light. Simon will come twice a term from now on to broaden learning experiences and further enhance student wellbeing.

The refurbishments at the School Gym/ Community Centre continue to progress with the entrance, foyer and mezzanine now almost unrecognisable. With the demolition phase complete, the construction phase has begun and it is amazing to see the new wall that has replaced the old rail on the mezzanine floor. Not only will this make the upper level safer, but will makes the stadium area so much easier and cheaper to heat and cool when it is being used by students and community groups.

It is with great excitement that we get to announce the addition of two new staff members. Ms Melanie Tennyson has been appointed to the role of Classroom Aide (Senior Class) and Ms Akosita Timo who has been appointed to the role of Educator, Eildon & District Kindergarten. We wish our two new staff members well as they commence in their respective roles. We also take confidence in the knowledge that they will feel a very warm welcome from all members of our learning community.

The school concert is coming along beautifully and we are looking forward to performing on Thursday 18th December from 6pm. The concert will be performed in the MPR as usual and be preceded by a BBQ from 5:15pm. There should be plenty of seats for immediate family members. If families are planning on inviting friends or extended family, that is fine but just ask that you let the office know please, so that we can ensure there are enough seats provided. Costumes and props can now be brought in as we are in full rehearsal mode. If families are having difficulty sourcing costumes, please let the office know so that timely arrangements can be made.

Have a great fortnight everyone.

Kinder Report: Week 6 Term 3 2025

Hi Families,

What a busy and exciting two weeks we have had in kindergarten!

We had a special opportunity to watch the school children as they practiced their concert. The kindergarten children sat so still and listened so carefully.

We also joined the school children for sports, which gave us the chance to run, play and try out new games together.

Back at kinder, we have continued working hard on our phonics. The children are becoming more confident with their sounds, and it's fantastic to see them using these skills.

Next week, we are getting our brains ready for some science experiments! We will be exploring, asking questions, and discovering new things through hands-on activities.

What a wonderful fortnight it has been!

RUNT**

at Alexandra Shire Hall
55 Grant Street, Alexandra
Friday 12 September
Showing at 2.00 pm and 6.00 pm
Doors open one hour early

Join us for Council's R U OK? Day community film events, where we come together to share stories, enjoy some food and explore how simple conversations can make a big difference to mental wellbeing.
Attendees to either showing can enjoy a free BBQ at 5.00 pm, courtesy of Alexandra Events.

For both showings, we will be screening *Runt*, a heartwarming Australian film about a clever dog, a determined young girl and the power of family and resilience in the face of challenges. Suitable for all ages.

While entry is free, RSVPs are essential for catering and safe venue capacity purposes.
