# Acting Principal's Report Term 2 week 9

And all of a sudden it was the end of the term! What an interesting term it has been! We have packed in many activities and students have presented terrific foldout posters about the Tiny things they have learnt this term!

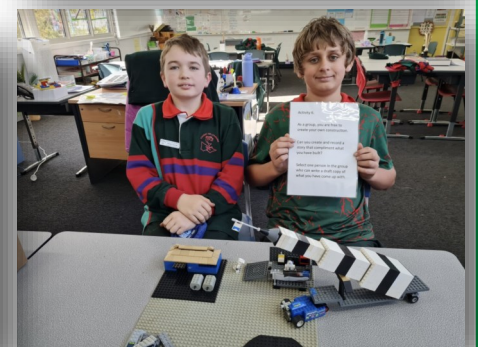

This week we have had Ben Geldart, a year 10 student at Alexandra Secondary College, complete some work experience with us. He has made the most of his time here helping students with their work and imparting some of his own knowledge about music, tiny things and basketball!

Thanks to a grant through Foodbank and The Good Guys our breakfast club and Parent's Club have been able to purchase some new sandwich makers and jaffle irons and fridge to help prepare the hot lunches that Kylie does an excellent job of making. A new freezer has also been purchased for the Parent's Club.

Next term our theme is going to be titled Outback Muesum. Miss Mangelsdorf, Mrs Crowle and myself have put together some exciting ideas that should capture the imagination of students and help them to understand and wonder more about the amazing country we live in.

Mr Harrington will return to Eildon Primary in Term 3. I would like to say thankyou to everyone who has continued to support the school and work hard to help students continue their love for learning and being engaged with the world around them this term. Enjoy the holiday and rest well.
