Monday 18th December	Christmas Concert
Tuesday 19th December	Students last day for 2023
Wednesday 20th December	CURRICULUM DAY, Student Free

We surprised our students with an  
Emergency Evacuation! Their response was commendable!!

Our students enjoying their "Lego" incursion last week!

Together we will develop a thriving community of creative, respectful and resilient learners who strive for physical, social and intellectual growth.

**Principal: Jai Harrington**

# STUDENTS OF THE WEEK

**JUNIORS**  
Charlotte

Charlotte up-levelled her work to include a wide array of "Opulent Openers" in her writing about a glitching computer!

Excellent work Charlotte!

**JUNIORS**  
Logan

Logan wrote a terrific short story about a whale using good descriptions. (Oh and did I mention he made great asides!)

Great achievement Logan!

**SMIDDLES**  
Cody

Utilising some very engaging sentence openers, Cody composed an excellent observation of a RoboVac moving around the classroom.

Well done Cody!

**SMIDDLES**  
Brayden

Carefully choosing advanced and suitable synonyms, Brayden up-levelled sentences and openers with great enthusiasm this week.

Well done Brayden!

**INDONESIAN**  
Henry

Henry hasn't been learning Indonesian for long. He is making a conscious effort to focus and be the best he can be. Henry is not afraid to give everything a go, to answer questions or ask for help. He is showing progress.

**P.E. Award**  
Olivia

Olivia was an active participant during the Ambulance Victoria session. She was attentive, gave accurate and insightful answers and was ever so focussed.

Keep it up Olivia!

**INDONESIAN**  
Tristan

Tristan worked independently the whole session, searching for orangutan facts and presenting these in written form.

**P.E. Award**  
Heath

Heath experienced much success in the game Jail. He was able to hit the speeder consistently into the designated area, avoiding being sent to jail many times and won the game too!

Keep it up Heath!

**ART Award**  
Cody

After creating his robot design, Cody carved a foam stamp carefully and used correct technique to make an accurate print.

Well done Cody!

## **Principal's Report Term week 4**

Congratulations to Levi Campbell who recently qualified for the upcoming State Athletics Carnival. Levi actually qualified in two events, the 200m and the Triple Jump. We wish him all the best next week in Melbourne. We also congratulate Tyler Ward on almost qualifying for the Boys State Chess Final. Good luck to Lily Ann Goninon who is competing in the State Girls Chess final this Friday in Melbourne. It is great to see some of our students achieving outside the classroom these days!

This Friday is World Teachers' Day and a wonderful opportunity to recognise the marvellous work of our fabulous teaching staff here at Eildon. We are very lucky to have Mrs Hall, Miss Mangelsdorf, Mrs Crowle and Megan who do such a great job every day improving outcomes for our students. Thank you team!

The school will be acquiring a 21 seater bus in the near future which will greatly expand our capacity to go on camps and excursions as well as facilitate student transport to school. We aim to have the bus fully operational by the beginning of 2024.

We have recently met with the architects regarding the upcoming Big Build that will be taking place at the school. We aim to upgrade and modernise the school's existing buildings over the next couple of years. We are currently in the design phase where students, staff and parents will have an opportunity to have input into the nature of the works.

The students continue to work well within The realm of their current inquiry theme "Big Tech." They have had the opportunity to engage in design and construction and we are very much looking forward to seeing their inquiry project presentations.

Jai Harrington  
Principal
