Principal's Report Term 1 Week 2

Welcome back to all of our families as we start the new school year together.

We greatly appreciate your ongoing support of our wonderful school here in Eildon and we look forward to educating your children again this year.

We trust everyone has had a refreshing break and we see that the students are very enthusiastic about their learning and happy to be back with their friends.

The swimming program has kicked off successfully and we are seeing great progress in the abilities of the students. Hopefully, we will again perform admirably at the Cluster Swimming next Thursday.

The Minifarm will be undergoing its significant refurbishment in the very near future. The children are very excited at the prospect of once again having live animals at school. The Minifarm will come with an outdoor kitchen giving the students the opportunity to try cooking some of the food they have grown.

The grounds are looking fabulous at the moment even if things are a bit dry. Our students are fortunate to have so many outdoor areas in which to enjoy their learning activities.

Later in the term we will also have school athletic activities including our own athletics carnival as well as the cluster event.

Please keep an eye on the newsletter calendar for significant dates as well as the SchoolStream App for its regular notifications.

As always, we are looking for parent helpers to help out with some of the school activities and events. If you have some capacity, please let the school office know at your convenience.

Wishing everyone a wonderful year of learning and growing together. Mr H

Our Talented 2025 School Leaders: Sophie SC, Liam SC, Jake HC, Mollie HC

Kinder Report: Week 2 Term 1 2025

Happy February, families!

Our little learners have had a great start to the beginning of the start of the year, exploring new colours, shapes, and animals.

We've been practicing our letters and numbers, and we're getting better every day!

This term, we're excited to focus on making new friendships, getting to know our new teacher, and participating in fun, new experiences.

We've been learning about sharing, helping others, and showing kindness. Be sure to ask your child about all the exciting things we've been doing!

Thank you for your continued support as we grow and learn together!
