## **Acting Principal's Report Term 2 week 2**

Welcome back to Term 2 and great to see all the students have settled into the classroom and excited to learn about their term theme of Tiny Things.

On Monday 8th May is Cross Country. Students have enjoyed getting in some practise before the big day. We need parent helpers for cooking at the parents Club lunch stand and marshals around the course. Please let us know at the office if you can help on the day.

Mr Harrington will be away this term as he is helping another school as an Acting Principal. In the meantime, I will be stepping in as the Acting Principal this term. I'm excited to be taking on this role and supporting the learning at Eildon Primary School in a new capacity. On Thursdays and Fridays I will continue to teach in the Juniors room.

Please feel free to contact the office if you have any queries.

We are looking forward to a solid term of learning.

Andrea Hall

Thank you to our School Captains, Levi & Hunter for representing Eildon Primary School at the ANZAC Day Ceremony.

They laid wreaths from the school and kinder.

# Kindergarten Report

Wednesday 3rd May 2023

Welcome back to the beginning of term 2, 2023.  
The children have all settled back into the centre really well.

Anzac Day was celebrated and briefly touched upon with the children focusing on courage, mateship and caring about each other and the world as a whole. We created a beautiful wreath using the children's handprints. This was laid at the cenotaph during the ceremony by the Primary School's school captains. I was very pleased to hear people commenting on the Kindergarten's wreath and its sincerity.

Autumn has been discussed, showing the children that nature is ever changing. The leaves for the last year must fall to make way for new ones. We have observed this on an Autumn walk where we collected leaves for fun art and craft activities.

The children have been introduced to the Community Centre, a very valuable asset. We will use this facility particularly in the cold, wet months for indoor play developing gross motor skills.

Mother's Day craft is also in full swing, this we are keeping a secret .....

Reminder, please make sure your children always have a spare set of clothing in their bags. It is also important that they are wearing safe, suitable footwear for the weather conditions.

Regards Megan & Kass

## BERRY STREET

A little of your time can change an entire life.

In Victoria, the number of children who cannot live safely at home has risen every year over the last 10 years. Children in care have experienced trauma – they need a safe, nurturing home environment to help them recover.

If you are over 21 and have a spare bedroom, we would love to hear from you. As a foster carer, you could make a huge difference to a child or young person in need.
