Science — **Jake Tennyson** — For thinking of others! And showing great leadership!

Week Two

Juniors

Ellie-Mae Jamieson

For demonstrating the school values **INTEGRITY** and **ALTRUISM** both inside and outside the classroom. You show great initiative by thoughtfully helping to keep our classroom tidy often picking up after others without being asked. You consistently put in your personal best effort in all your learning activities setting a fantastic example for the junior team. Your kindness and dedication truly make a difference. Well done Ellie-mae!

Seniors

Charlotte Smith

For demonstrating the school value **COOPERATION** by always showing kindness to others and managing to always get along with everyone in the school community.. Champion Charlotte!

Chinese — **Sophie Smith** — You showed great focus and resilience in Chinese class this week Sophie!

Music — **Heath Tomlinson** — Heath, you made amazing progress on the drums this week!

Principal's Report Term 4 Week 2

It has been a positive start to Term 4 and the students have enjoyed getting into our new Inquiry Theme – Natural Disasters.

We have lots planned in the few weeks left before the year runs out including: Pond Run, Grade 6 Transition, Kinder Transition, Graduation, Camp, Whole School Sleepover, Swimming and Christmas Concert!

The students no doubt are looking forward to all of these activities which serve to enhance wellbeing and broaden horizons.

Great progress is being made over at the school gym. As a result, we prepare ourselves for the decanting procedure which will occur in a few weeks time. This will involve moving classrooms across to the Community Centre and Multi Purpose Room temporarily so that works can begin on Block B (where our current classrooms are). I know that we will all work together to get through this period, motivated by our school values and the shining light at the end of the tunnel.

We are currently top dressing the school oval making it safer and more enjoyable for the students and staff to use. We will do this in stages over coming months and look forward to seeing it improve week after week!

We are very happy to have our new staff members, Miss Whitt, Mrs C and Ako settling in so well to their new roles. If you see their smiling faces around, be sure to introduce yourself and welcome them to our wonderful school community.

Kinder Report: Week 2 Term 4 2025

Hello Families,

What a beautiful fortnight we have had at kinder!

With the weather warming up we have had lots of time to explore outside. This has allowed for a variety of water play activities including watering our new peas in the veggie patch, building and baking with our imagination in the sandpit and exploring scientific concepts such as water flow, weight, colour mixing and bubble play in the sensory trough.

Last week Ako created a wonderful learning experience with a nature colour collection walk. We then used what we collected to create a nature colour chart. You can see our gorgeous art up in the classroom.

It's great to see that we still have a large interest in puzzle work in the classroom and continue to support this with a dedicated puzzle area. The children have been working on larger floor puzzles to extend their learning.

In just a few short weeks we will begin our transition program for our children attending Eildon Primary School. How the year has flown!

Have a great weekend.
