

# Eildon Kindergarten Report - 23 April 2021

Welcome back to the beginning of Term 2.

The children have all had a great first week back, everyone has settled in extremely well and they were all super excited to see each other again.

The 'Sing and Grow' program started this week with Beth, our music therapist. The program will assist with the children's language development and ability to regulate their emotions.

We have re united with our Grade 5 reading buddies, enjoying a special play together and sharing picture story books..

Anzac Day has been discussed along with a visit to the Cenotaph. The children have also made something special to lay on Sunday.

We have returned to shared fruit, hoping this will provide the children with healthier food choices Please remember to place a piece of fruit in the basket at sign in.

Tuesday 27th April we have Claire Slater (Speech Therapist) visiting the centre. This has been made possible through our School Readiness Funding and will assist Kass and I in supporting the children's language development. These visits will be ongoing, if you have any questions don't hesitate to approach Kass or myself.

Finally, Bush Kinder will commence next week. Please provide a full change of clothing and a wet weather jacket. Gum boots will be provided by the Kindergarten.

Cheers, Megan & Kass
